

Celebrating eighteen years as the Capital Region's symphony orchestra, the Granite State Symphony Orchestra provides New Hampshire's finest professional musicians with the opportunity to present quality classical music to all ages at an affordable cost. The GSSO offers concertgoers performances on par with what is available in larger cities, right in their own backyard. The GSSO is the resident orchestra of the Concord City Auditorium.

Meet Our Maestro

Maestro Robert C. Babb continues to engage audiences with his unique style of conducting and his passion for classical music, just as he did when the orchestra was formed in 1993. Babb makes classical music accessible for all concertgoers, from children to adults to new listeners and longtime fans.

Babb has been creating musical excellence in New Hampshire as a teacher, conductor and musician for over 30 years. He is a graduate of the New England Conservatory and has studied extensively in New York and Paris with Leon Barzin, a student of the great Arturo Toscanini.
